**Romans 1:20:** (KJV) *For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:*

**Special Guest: David Stein**

Followers of Jesus today are bombarded on every side with agnostic and atheistic philosophies that erode faith. In science, the theory of evolution is embraced by many as the best explanation of man's existence on earth, of course without the necessity of a supposed mythical creator. However, in recent decades the scientific debate over the explanation of origins has taken a turn with the appearance of the theory of Intelligent Design. The result has produced a dramatic and often faith-strengthening debate. For a Christian, this comes at a perfect time, supplying us with additional reasons to accept the Bible narrative of God as Creator. So what's it about? Stay tuned for a lively discussion of Is God Really the Creator?

Do to the length and depth of this subject matter, a Summary Only Rewind is not available. Please sign up for the **Full Edition** in order to follow along visually with this exciting program!
