3. What technique did Satan use to convince Eve of his argument? What were the three worldly traps he was able to use? (See Genesis 3:4-5, 1 John 2;16)
4. What were the three rationalizations Eve used to convince *herself* she could follow Satan’s lies? How do the three traps fit in with her rationalizations? (See Genesis 3:6, 1 John 2:16)
5. What was the full penalty or consequence of Adam’s disobedience? (See Genesis 3:17-19) Does this statement to Adam leave any room for the concept of zombies?
6. What is the definition for “death”? (See Genesis 3:19, 7:21-22, 21:16, 25:11, 26:18, Judges 1:1, Ruth 2:11, Ezekiel 18:4) What happens when you are dead? (See Ecclesiastes 9:5,10, 12:7, Psalm 6:5)
7. How did man (Adam) become a living being? (See Genesis 2:7) What, or who else is described as coming to life in this way? (See Genesis 1:20-21) What does the Hebrew word “nephesh” mean and how does this help us to understand what life is?
8. How does the New Testament concept of a “soul” fit with the Old Testament concept of a “being”? (Compare the definitions of the Hebrew word “ruach” in the Old Testament to the Greek word “psyche” in the New Testament, Luke 10:27, Matthew 26:38, John 15;13, Acts 27:22)
9. How is the concept of the resurrection opposite to the common view of the immortal soul? Why is this fundamental to understanding God’s plan for mankind? (See Romans 6:22-23, John 5:28-29, Acts 24;14-15)
10. Is there anything to be afraid of in zombies, walking dead, or ghosts? Why, or why not?
