SHOW NOTES

1. Why is godly wisdom still worth pursuing in our current climate of the internet and social media? What were Solomon's reasons for writing Proverbs? How can Proverbs help us in our character development? (See 1 Kings 4:29, Proverbs 1:1-6)
2. What does reverence ("fear") of God really mean? Where can wisdom be found? What are some of the consequences of not following the wisdom of godly principles? (See Proverbs 1:7,20-23,29-33)
3. What is Solomon's passionate plea to his children in the second chapter of Proverbs? How can we apply these admonitions to ourselves? What are the positive natural consequences of using godly wisdom in our daily lives? (See Proverbs 2:1-8, 12)
4. What practical advice does Solomon give in applying wisdom in our treatment of others? How can these practices help us personally? (See Proverbs 3:27-31,21-24, 4:5-9,18)
5. What steps must we actively engage in if we want to learn and utilize godly wisdom? (See Proverbs 4:18)
6. What practical advice does Solomon give on avoiding sexual immorality? How does this apply to our lives today? (See Proverbs 5:1-9,12-13, 7:1-8,24-25)
7. How can we employ godly wisdom in all the responsibilities of our lives? In our business dealings? What are seven abominations the LORD hates? (See Proverbs 6:1-5,6-8,16-19)
8. What is the source of Solomon's wisdom? How can godly wisdom be used as a tool for guidance in our everyday lives? Where can we find this wisdom? (See Proverbs 8:1-5)
9. How does the Bible express the breadth of wisdom? By what channel is the wisdom of God expressed? How does Solomon compare the path of wisdom with the path of folly/foolishness? (See Proverbs 8:22-31, 9:13-18)
10. How can we best find, absorb, and apply godly wisdom in every facet of our lives?
